Herbert O'Driscoll is a respected and beloved writer, preacher, and proponent of Celtic spirituality. Last fall, he turned ninety. This spring, his latest book is being published. Entitled *A Greening of Imaginations*, it imagines the "back stories" of some of our favourite Biblical scenes and characters. In conversation with Ian Alexander, Herbert O'Driscoll reflects on his life and reads from his new book, copies of which will be available for purchase and autographing.
