#### Acceptance Nomination

Unlike nominations to Member of the order, there is no requirement to obtain the acceptance from the nominee, and we strongly recommend that you do not. Given the very limited awards available it avoids disappointment should the nomination not be successful. Not to mention it preserves the potential surprise if the nomination is successful.

Should the nomination be successful the Secretary of the Order will contact the nominee for their acceptance before proceeding further.

#### Biography

Please provide a brief biography of the nominee and their service to the diocese and/or the Anglican Church of

Canada (include the dates of that service). Service to the community, province or nation may also be included. Including attachments to support the nomination is acceptable.

**Citation**

Please provide a narrative description (i.e. no bullet points) of this person’s service to, or on behalf of, the diocese and/or Anglican Church of Canada or wider community. This Citation would be read at the Investiture Service. Try to convey the person’s personality in what you write. **This Citation must be no more than 80 words. Applications with Citations longer than 80 words may be edited by the Council or returned for amendment.**
